New York State Association of Agricultural Fairs, Inc.

### Presidents Message

It looks like fair season has come and gone in the blink of an eye. I hope that everyone found success with their fairs this year. I know we all endure the ever-unpredictable weather, from rain to high heat and humidity to the ever seemingly elusive "perfect weather". It's amazing how we, in the fair industry, can make the best out of any situation, I know I find myself saying "at least it only rained three out of the six days", or "at least the rain came at the right time" (if there is a right time), the optimistic "well at least we don't have to water the track for the demo" and the ever popular "at least it didn't rain on the concert". Over the last

four years I have enjoyed visiting many of the great fairs of New York and seeing all that is special at each one of them. I know many of us are focusing on fall events being held on our grounds, planning for winter storage or just looking at what to do next year, whichever the case may be you should all be commended for the great job you have all done with your fairs this year.

The Fair Managers will meet on October 5th and 6th in Binghamton this year. We will be having our Fall Board of Directors meeting in conjunction with them this year as well. Make your plans to attend I am sure that Gary and the good folks from Broome County will be putting on a great meeting, come learn and network with your fellow fair friends.

I would like to remind everyone to take advantage of all that the IAFE has to offer from cyber seminars, the institute of fair management, to the upcoming convention in San Antonio. It is not too late to send a delegate or the entire board to this great convention, I guarantee you will not be disappointed. It is also not too late to enter one of their competitions, they offer many categories and have divisions for all size fairs, you can get all the information from the IAFE website (fairsandexpos.com).

Plans are also well underway for our annual convention in January. From what I have seen so far Jason is going to have a great program for us with some exceptional speakers. Be sure to make plans to come on Friday for the Presidents reception and be sure to stop by the President's suite for a taste of "Steuben County". More about the convention will be coming in the December newsletter.

See You at the Fair

Nick Pelham CVFM - President NYSAAF

### 2019 Ag Awareness

As your Ag Awareness Coordinator for several years now, I am so proud of the County Fairs that continue to utilize the to improve exhibits and equipment in their Agriculture areas. This year highlighted some great projects and much need new equipment for some.

The Fairs that completed project included: The Chautauqua County Fair introduced Fair patron to the "Importance of Water," Columbia County introduced a new "app" for fairgoers to navigate the activities at the Fair. The Fonda Fair created fun cut-outs as photo opportunities throughout the grounds. New communication equipment was installed in the livestock areas. The St. Lawrence County Fair purchase a full sized milking cow to introduce the milking process to its non-ag families. At the Niagara County Fair in Lockport a special exhibit, "Farm to Fork" was introduced to the public. The Steuben County Fair used their funds to upgrade the sound equipment in the showings and throughout the grounds. At the Wayne County Fair and the Ontario County Fairs, the exhibitors found upgraded livestock panels to house their animals in, this new equipment was greatly appreciated by their exhibitors.

I will be contacting the Fairs that are eligible to participate in the 2020 program in the near future. I look forward to some more great improvement to the Ag areas at the Fair throughout the State.

Submitted by Russ Marquart, CFE

## **Welcome Back to the Genesee Valley Breeder Association**

Our Association welcomes back as a member Fair the Genesee Valley Breeders Association. Our Board of Directors voted to reinstate their membership in the NYSAAF at the Spring Board Meeting. The Breeders Association is an organization that is active in promoting the equine industry and its related activities. They will again be home at the Avon Driving Park in Avon, New York once the final upgrades are completed at the Driving Park. In the meantime they have been conducting their activities in the Western New York area.

**Genesee Valley Breeders Jump Course**

**Avon Driving Park**

## **Message from the Treasurer, regarding Dues Payments**

NYSAAF membership dues notices will be mailed to all fairs the first week of October, the due date is December 3, 2019. Please be sure to check your mail delivery location for these notices.

If your fair mailing address has changed from last year please let me know as soon as possible.

My contact information:  
 Jane Luskin, NYSAAF Treasurer  
 349 Johnsonville Road  
 Valley Falls, NY 12185

## Annual Scholarship Auction

It's that time of year!!! Fair season is over and winter is approaching. With winter comes the NYSAAF Convention. The annual Scholarship Auction will be held Saturday night of Convention and I'm always impressed with the variety and quantity of the items donated each year. If you haven't already picked up something to donate for auction, there's still time to do so! All items are to be left at the registration desk in the Convention Center. Make sure we know who is donating the item so we can give proper acknowledgement at the auction. Auction proceeds benefit the Scholarship fund to assist young adults with college expenses.

If you already have your auction item, please e-mail a photo of the item to Melissa Beardlee at melbeard817@gmail.com, if possible we'll use it on the NYSAAF Facebook page.

See you in Rochester!  
Melissa Beardlee

## NYSAAF Scholarship Winners

**James Hicks** – representing Dutchess County Fair. Attending SUNY Polytechnic Institute. Major in Mechanical Engineering.

## Fair Manager's Scholarship winner

**Tracer Howland** – representing Delaware County Fair. Attending SUNY Delhi. Major in HVAC and Electrical Controls

Submitted by Amy Anderson, Altamont Fair

## Executive Secretary Report

Hi Folks, with the Fair season behind us and fall upon us, we look to the New Year. I traded cars in June and as I head out today, I look down at my odometer and see I put 4800 miles on it in a short time. That means, I spent a lot of quality time visiting many Fairs throughout the Summer months. I love the rich fertile land that New York has to offer and that means the farmer will reap abundance and the County Fairs were a great showcase for agriculture and quality family fun.

As Executive Secretary I strive to keep our membership in the loop. It has been quiet this summer, but there are a couple of things that will be addressed by the Board in October. The first, YES the Rochester Riverside Hotel is to be closed on March 31, 2020. This will not affect our Convention this year. I assure you the Executive Committee is on top of this and indeed has a plan in place to

accommodate our needs. You will get more information at the Convention and in this year's registration packet. Be sure to watch your EMAIL for the Registration and Hotel Reservation information about November 10th.

Secondly, our Trade Show is moving to a NEW Location and New Layout within the Convention Center. Change is good, I hope the Associate exhibitors like it. Our goal is to provide great exposure for them to make available their shows and attraction to the delegation.

I am so glad to see that many Fairs have completed or are working on the projects utilizing the funds available through the Grant program. For many Fairs, this has been wonderful opportunity to make significant upgrades to aging property. Great to see!

I look forward to seeing you in January!

**Mark your Calendar**

**IAFE Zone #1 Meeting, May 7-9, 2020**

Hosted by the York Fair in Pennsylvania.

Mark St Jacques, IAFE Zone Director has announced the dates for the Zone 1 Meeting. The event will take place at The Wyndham Garden York, 2000 Loucks Road, York, PA 17408

Save the dates, additional information will be forthcoming.

## **NYSAAF CONVENTION – Save the Date!**

The 2019 fair season has ended and it sounds like most Fairs had a good year, our focus now shifts to our annual convention. The convention will once again be held at the Joseph A. Floreano Riverside Convention Center in Rochester New York from January 17-20 2020. We are very excited for this year’s convention, once again we will have many great educational seminars planned. We are currently in the process of finalizing the speakers and the schedule.

This year I am proud to announce our two guest speakers. Saturday, we will welcome The Peterson Farm Brothers, who are brothers from central Kansas who create social media content to promote the importance of agriculture. They produce entertaining and educational videos on our YouTube channel, including farming footage and video updates to social media pages (Facebook, Twitter, and Instagram). Ever since they began producing content, they have continued to realize a need to inform people about what they do in farming and in agriculture as a whole. There are many misconceptions about modern day farmers and they feel it is their calling to help correct some of those misconceptions.

Aside from their productions on social media, they have given over 400 speaking presentations in 40 states and 8 countries and are passionate about the future of the agricultural industry. Additionally, one of the Brothers, Greg will be doing a breakout session.

On Sunday, we will host Sheila Marshman. Sheila has one of the most diversified backgrounds, whether it be presenting at the United Nations, speaking about women in agriculture, helping farm families across NYS make financial decisions and plan for their future through succession/estate planning. While not teaching, speaking and administering she enjoys her family time with her husband, John, and their daughter, Lily, on his family’s 7th generation dairy farm, Tiger Lily Holsteins, founded in 1856. Sheila will also be doing a breakout session as well.

You won’t want to miss these two great speakers as well as our breakout package of educational opportunities at this year’s convention.

Jason Lawrence, 1st VP NYSAAF –  
Program Chairperson

## **Reminder to Trade Show Exhibitors**

Your contracts were mailed to you in August. Please be sure to get them back to me NO LATER THAN October 1st along with your renewal Associate Member Dues. Our Trade Show has a NEW LOCATION AND NEW LAYOUT this year to provide you with greater exposure. I will begin assign locations in early October.

## **Wanted!!**

Announcer needed to help at the Convention, responsibilities include introduction of Head Table at Opening Session, Banquet introductions, Showcase Act presenter and Little Red Wagon Parade announcer. If you would be willing to take on this responsibility please contact Russ Marquart, at nysaaf@gmail.com or 716-652-1348

## **Hall of Fame Nominations due December 1st**

Just a reminder that Hall of Fame nominations are due December 1st. There are lots of people in our Association that should be recognized for their effort. Please consider nominating a person that has worked to improve our Fairs. Nomination information is available on our website at www.nyfairs.org.

## **Become a member of the Executive Committee**

The Nominating Committee is seeking candidates who are interested in serving on the Board of Directors. A candidate should submit; 1. A letter of interest no later than December 1st and 2. A letter of support from the Fair’s Board of Directors that you represent. Information should be sent to Russ Marquart, Executive Secretary, NYSAAF, PO Box G, Elma, NY 14059. Deadline: November 1st.

### Associates on the Move

### ASSOCIATE MEMBER SHOWCASE The Barnyard Cackle Review

Rocky Da' Roosta and his cast of cackling hens have entertained our Fair visitors since 2011. They have been seen from Texas to Vermont and south to Florida.

Our Show is Interactive, Educational and most importantly Entertaining! Unlike other entertainment, THE BARNYARD CACKLE REVIEW performs throughout the entire day with shows on the hour and half-hour. With four different shows, there is 2 hours of different songs, jokes and educational information throughout the day.

We have been told by many fairgoers that the best part of our show is the Joke Button. That's right! The Joke button is very, popular especially with the kids. They press the button and Our Chicks pop-up and tell funny, family friendly chicken jokes.

As an added bonus, we have available, at no additional charge, Rocky Da' Roosta

Mascot Costume that is available for walk-arounds; public relations events etc. See Rocky Strut his stuff and dance and entertain your guests. Give us a call at 800.377.4625 and

Check our schedule. We thank you in advance for your kind consideration.
