Presidents Message

As the fair season has come to a close, and we move on to our fall and winter festivities, I am thankful. Thankful to have witnessed the evolution of the term Fair Strong as has become much more than a tagline or turn of phrase. This year, our fairs demonstrated what it means to be Fair Strong. The creativity, determination and team work across the state by our Board members, volunteers and employees was truly impressive. We have learned many things over the past year,

tried new things, adjusted and pivoted more times than we care to remember. As we plan for the upcoming convention, we are hopeful for a great turn out and time for everyone to reconnect. We look forward to reflecting on our experiences and sharing our learning. I am looking forward to what the future holds, we have proven to indeed be, #Fair Strong.

Agriculture Awareness 2020, 2021

Submitted by Russ Marquart, CFE

Our Ag Awareness project program is back on track. We have completed the 1st year of our currently 4 year rotation. We also played a bit of catch up for those Fairs that we unable to showcase their effort due to the cancellation of Fairs in 2020.

Like everything else, COVID-19 took its toll on our Fairs, but we are rebounding with strength and determination. Our 2021 Fairs did the best possible job under the circumstances, of just a few months of planning to put things together. While some were unable to complete project, many did, and we commend them on their efforts. The Fairs in 2020 and 2021 have received their respective payments. I applaud everyone for their efforts to provide Fairgoers with exciting and innovative projects.

As we move forward into 2022, we will feature 13 Fairs with exciting and creative projects. The eligible Fairs in 2022 will be notified in October as to their desire to participate. I look forward to visiting many of the Fairs in 2022 as we continue our efforts to provide the funds to assist with or provide the incentive to continue to showcase the great things our County Fairs offer the public.

I look forward to memorable Fairs in the future.

Hello there;
Here's hoping you have recovered from a great Fair season. It was great to see so many of you this year and I'm looking forward to seeing the rest of you next year.

My focus is now on formulating the Convention program and wanted to share some highlights. We have the following speakers and programs from the IAFE: Bill Stainton from the State of Washington, Bill OGG IAFE from Nebraska, Alicia Shoults IAFE from Ohio. Ag & Family Festival Provided Fun & Education for Community

Middletown, NY – On Sunday, July 11th Cornell Cooperative Extension Orange County held the annual Ag & Family Festival. Staff, volunteers, 4-H youth and families along with the public enjoyed a day of fun and education together at the Education Center & 4-H Park in Otisville. Despite some rain, a good time was had by attendees and the farm friends who joined us!

“What a great day and event on Sunday! I was happy to see lots of people with children and the interest in our 4-H Program. Thank you to the CCE staff for planning this!” shared Bunnie Reichle, a longtime volunteer and supporter of CCE Orange County.

Activities included visiting and learning about a wide-variety of farm animals as well as displays and activities lead by CCE Orange County Educators and Volunteers including information related to gardening, local fishing, plants, family communication strategies, 4-H Robotics, Nutrition and more!

Visitors enjoyed milkshakes and dairy-free fruit smoothies from Jeremy’s Shake Shack made with local products.

“It was really nice that the public got to come out and see the animals that I get to see on a daily basis. Showing different animals and having that experience is one of the best parts of 4-H.” said Hannah Wieboldt, Orange County 4-H Youth.

Local Future Farmers of America (FFA) youth also joined in the weekend by bringing their own projects and exhibits to display alongside the Orange County 4-H entries as well as by holding their tractor driving contest.

“I really appreciate the opportunity to compete and show our exhibits at the Education Center & 4-H Park. I was highly impressed with the space and the overall hospitality and kindness shown by 4-H and CCE staff.” Shared Nancy Colgan of the Warwick Valley FFA.

CCE Orange County would also like to thank the sponsors who made the 2021 Ag & Family Festival a success including Valley Brook Veterinary, Lucy Joyce, Jim & Bunnie Reichle & Family, Adams Fairacre Farms, Wallkill Valley Federal Savings & Loan, Orange Bank & Trust Company, Dombrowski’s Lawn and Garden Center, Woodard’s Concrete Products, Inc., the Davis Family, Otisville Hardware, GCD Auto Studio, Zick Whitted Taub

Investment Strategies, Animal Health Center, M & H Tractor, Paul Congelosi Trailer Sales, and Burke, Miele, Golden, & Naughton, LLP.

In addition, we would like to also recognize and thank those who sponsored the Clover Café which was able to provide nutritional food to the local 4-H Community as they spent most of the full Friday through Sunday participating in animal shows and contributing to the Festival. Those sponsors include RM Farms, Dagele Brothers, Pawelski Farms, S&SO Produce, Penning’s Farm Market, Stap Dairy, and the Parr Family.

Thank you to all who attended and to those who helped to organize a successful event full of educational fun. We are also proud of all of our Orange County 4-H youth who entered projects for judging and showed their animals! If you are interested in learning more about Orange County 4-H or enrolling for FREE, please contact us at 845-344-1234.

Whether you were able to attend or not, be sure to save the date for next year’s Ag & Family Festival which will return to a 3-day event on July 29, 30 & 31, 2022!

Fair Lady; Memoirs of a County Fair Manager –

by Past President Fran Tepper, CFE

I retired from managing the Monroe County Fair after 20 years. It was hard letting go of a job that had been my passion for so long, so I decided to write a book about the unusual and often funny situations that happened in the daily life of a County Fair Manager. "Fair Lady...." is available on Amazon.com, Barnesandnoble.com and Target.com.
